## **Llama Related Services**

- Boarding (call for price quote)  
Includes veterinary maintenance for animals boarded the entire year.
- All boarded animals must have microchip implant. All animals will be boarded with Buckhorn pack stock. We pasture these animals on foothill pasture that insures conditioning & fitness, but has restrictions for full-time monitoring. Persons boarding animals recognize the advantages & drawbacks of these conditions & accept liability for their animals.

### Other Services

- Maintenance vet procedures: \$40 (vaccinations, worming, toenails, teeth, delousing)  
Microchip implanting & chip: \$25
